WORLD LEPROSY DAY

January 26, 2020

On January 26th, churches worldwide will pause to pray for those with leprosy. More than that, the day is a reminder that an age-old disease still attacks women, men and children. In fact, every day 600 more people hear these words: "You have leprosy." 50 of these are children. This year, we pray that churches across Canada will help us diagnose and cure children of leprosy long before life-changing disability sets in. We KNOW leprosy can be cured. But we need the funds to reach people affected. Please donate to www.WorldLeprosyDay.ca and download the World Leprosy Day video.
