### PARISH COMMUNICATION PROJECT

Since we had launched our Parish Communication Project on Sunday September 6<sup>th</sup>, we have received positive feedback from our parishioners.

The Parish Communication Project will allow us to live-stream our Sunday Masses on the internet for those who are not able to physically attend Sunday Mass. The project also includes a new projector and an updated audio system in the Parish Hall.

It will also aid us in our work in our parish schools. We will not be able to gather the children in the Church or school gyms for mass as we have in the past. With this system we will be able to record a Mass here at the Church and they will be able to watch it in their classrooms at school. It is very important that we do everything we can to maintain our connections to our parish schools.

Total cost for the Parish Communion Project is \$35,000.

#### How to donate:

1. Use the envelope available in the gathering space – *Parish Communication Project* and place your donation in the collection boxes with your regular offertory donation.
2. Come by the parish office and make a direct donation with your credit or debit card to donate, using our payment terminal.
3. On our webpage under *Support Your Parish*. In the "Additional Information" section, under *Where should we direct your gift?* Select from the scroll down menu – **Parish Special Projects.**

***To date our collection total for the Project:***

**\$16,280.00**

***Thank you to all our parishioners for their generosity!***
