HELPING THE POOR

The Society of St. Vincent de Paul

You may have noticed at the Sunday Masses, an elderly gentleman begging at the Church entrance. The Society of St. Vincent de Paul's ministry helps the marginalized in our community. They have approached this gentleman and offered their assistance.

Our faith requires us to help the poor. We can do this best by donating directly to St. Vincent de Paul. Giving money directly to those who beg outside does not help them in the long run. It also encourages less scrupulous persons to take advantage of our community's generosity.

The best way to help the poor is through your donations to the Society of St. Vincent de Paul. This ensures that those in need get the help they require.
